UNEXPECTED

5

ASK QUESTIONS

# Vocabulary

**Forceful:** strong and assertive; effective.

**Thought-out:** produced by or showing the results of much thought.

**Pinstripe:** a very thin stripe, especially in fabrics.

**Trim:** to cut down, as to required size or shape.

**Rehearsal:** a session of exercise, drill, or practice, usually private, in preparation for a public performance, ceremony, etc.

# Introduction

Interviews are probably the most crucial part of the job search as they prove to be the decisive factor for whether the candidate will get the job or not. You need to work hard preparing mentally, physically and psychologically for that. Mentally preparing your mind and physically preparing your looks is essential if you want to ace the interview.
