

PREPOSITION OF TIME

What is Preposition?

- A preposition is a word which precedes a noun (or a pronoun) to show the noun's (or the pronoun's) relationship to another word in the sentence.
- (The word preposition comes from the idea of being positioned before. It is not true to say that a preposition always precedes a noun or a pronoun, but it does most of the time.)

→ **The following are all prepositions:**

above, about, across, against, along, among, around, at, before, behind, below, beneath, beside, between, beyond, by, down, during, except, for, from, in, inside, into, like, near, of, off, on, since, to, toward, through, under, until, up, upon, with & within.

Prepositions of Time are prepositions that we use for talking about time.

Some common prepositions of time are:

At, In, On

Meanings :

At : A preposition of time which is used to designate specific times.
