

Price/Currency

A1 – A2

Module 3

Here's What We Will
Be Learning in this
Presentation:

SUMMARY

- ❑ What Is Currency?
- ❑ Some Common Currencies.
- ❑ Exercises

What Is Currency?

Currency is money that people use to pay for things (like cakes and chocolates). Money can be coins or paper.

Every country has its own currency. Today, we will learn about the currencies of some countries.
