# What is a question tag?

Question tags are short questions that are used at the end of statements.

They are used to confirm that something is true or not, or to encourage a reply from the person we are speaking to.

## How are question tags formed?

Question tags are formed by using the auxiliary or modal verb from the statement and the appropriate subject.

# Some common Modal Auxiliary verbs to be used for question tags:

Can: Mia **can** take her family to the airport.

Could: She **could** have helped me.

Must: She **must** listen to her mother.

Should: She **should** have reached home by now.

Will: He **will** take us to the fair.
