

Role play: Personal Information

Vocabulary

Nonetheless- despite what has just been said or done.

Keep sb posted- to make sure that someone always knows what is happening.

Credentials- something such as a document that proves who someone is, what organization they represent, or what their qualifications are.

Listed- a record of short pieces of information, such as people's names, usually written or printed with a single thing on each line and often ordered in a way that makes a particular thing easy to find.

Splendidly- in a way that is excellent, or beautiful and impressive.

What is Personal Information

Factual or subjective information about an identifiable individual whether documented or not is called personal information.

Most organizations, businesses and employers will require an individual to send their **credentials** via email or fill a form and submit the same. Personal information in today's digital age can also be misrepresented in several ways.

Personal Information

- name
- address
- date of birth
