

Social Occasions

Vocabulary

Decorum: behaviour that people consider to be correct, polite, and respectable; etiquette.

Put one's best foot forward: embark on an undertaking with as much effort and determination as possible.

Confer: discuss something with them in order to make a decision. You can also say that two people confer.

Ritual: A religious or solemn ceremony consisting of a series of actions performed according to a prescribed order.

Clammy: unpleasantly damp and sticky or slimy to touch.

Introduction

A social occasion is an event where many people come together for interaction, entertainment or for a specific purpose. Social occasions can also be classified as formal and informal.
