

The trainer will read out the poem and the student will write it on the Skype without seeing, to make it more interesting you can ask the student to continue and add one more line using their imagination:

GOD

God is very great and strong
He listens to us all day long
And teaches us to do what's right
But nobody knows what He does at night.

PAPA

Papa also is strong and tall
And when I hear his step in the hall
I hide in the curtain - I know what he'll say!
'Where is my little Miss Mousie today?'
Then I come prancing out just like a mouse
And he takes me and hugs me all over the house
I give him six kisses, or seven, or ten
And tell him I'm going to marry him When.
