Vocabulary

Itty-bitty - very small (For example: My friends get upset over the itty-bitty problems they have.)

Cross License - give one party a licence to use (patented or copyrighted material) in return for a similar licence.

Coming at (something) - to examine or deal with something such as a problem in a particular way. (For example: Try coming at it from a different angle.)

Quaint - attractive in an unusual or old-fashioned way.

Inflamed - (of a part of the body) red, sore and hot because of infection or injury.

Alzheimer's Disease - Alzheimer's disease is a neurological disorder in which the death of brain cells causes memory loss, problems with thinking and behavioural issues.
