

Prepositions Of Movement And Direction

A2 – B1

Module 3

Here's What
We Will Be
Learning in this
Presentation:

Summary

- Revision Of Prepositions.
- Prepositions Of Direction.
- Exercises.

Revision Of Prepositions

A Preposition is a connecting word, that shows a relationship (connection) between two things. It links nouns, pronouns or phrases in the sentence. They are usually placed directly before nouns. Prepositions often show time, place or direction. Some of the common prepositions are:
