Vocabulary

Starlet: a young actress with aspirations to become a star.

Lightweight: (in this context) lacking seriousness, depth, or influence.

Grab (informal): to arouse the interest or excitement of. (For example: The book was O.K., but it just didn't grab me.)

Sidekick: a person's assistant or close associate, especially one who has less authority than that person.

Stutter: talk with continued involuntary repetition of sounds, especially initial consonants.

Lightbulb moment: a moment of sudden inspiration, revelation, or recognition.
