Role Play Between Two Sisters

Hey, sis! How are you?

Hi Amy, I'm fine. How was school?

It was fun. Did you see the picture I uploaded on Facebook today?

Why would you say that? I like uploading pictures and updating my status. All my friends do it.

Yes, I did. It's a nice picture of you and Jack. But Amy, I don't think it is necessary to upload everything you do on Facebook.
