

Indian languages

Hindi

Hindi is one of the official languages of India.

The image shows the word 'हिन्दी' (Hindi) written in the Devanagari script. The characters are black and bold, with a horizontal line above the 'हि' and 'न्दी' parts. The 'हि' has a long horizontal stroke, and the 'न्दी' has a similar stroke. The 'न्दी' part has a small 'न्' (nasal) character before the 'दी'.

**‘Hindi’ written in the
Devanagari script**

There are 48 alphabets
They are divided into 13 vowels (Swaron) and 36 consonants (Vyannjana).

Marathi

It is the official language and co-official language in the Maharashtra and Goa states of Western India.

Marathi is also written in the Devanagari script.
It consists of 11 vowels, 40 consonants, and 2 sound modifiers.
